FOLKLORE AT NEIGHBORING TOWNS

From the Colorado Record:

Will S. Payne an attorney from Snyder also T. P. Perkins of the law firm of Perkins & Perkins of Snyder are here attending district court.

Mrs. Olin Hardy, Mrs. Clifton Perkins, Miss Byrd Winters and Mr. and Mrs. Timon Perkins of Snyder spent Wednesday in Colorado while Mr. Perkins attended court.

All the papers for the new post office have been signed up and accepted by Uncle Sam but there is a certain amount of red tape yet to be tied to it before work can be commenced. \$1600 worth of new steel fixtures will be installed, new combination boxes arranged, the building enlarged and made much more comfortable and convenient for both employees and patrons. A lease of ten years is to be secured and the office fitted up throughout with steel fixtures and furniture.

On Friday night last the Royal Arch Degree was conferred by the Masonic brethren on a team of thirty travlers over the burning sands, etc. Quite a crowd was present, after the work a banquet was spread and all enjoyed the occasion very much. Besides a large attendance of local Colorado Masons we noticed from Snyder:

C. L. Ezell, J. W. Warren, H. L. Davis, Joe Stinson, Rufus Mitchell, G. W. Brown, R. L. Burdett, Chas. Harless, A. N. Harkrider, W. H. Stamps.

From Lorraine we saw:

A. K. W. D. and J. G. McCarley, J. M. Templeton, W. E. Watson.

From Westbrook were present:

H. C. Kitchen, W. E. Smith, M. F. Neessmith, J. M. Page.

From Dumas came:

G. W. Hanson, J. W. Kay.

From Robert Lee:

D. H. Campbell.

From McKinney:

Sam Snowden and G. F. Adams.

Again on Tuesday night this Lodge was called to Dumas to confer the degrees in the Blue Lodge. Dr. Phoenix, with Vance as driver, together with C. Adams, J. E. Hooper, J. A. Buchanan, J. B. Vaughan, Lee Jones, H. E. Grantland and Joe Bump all went up and was met there by the Snyder bunch, called by some (the Snyder Outlaws) and all had a royal good time and a sumptuous feast at Dumas.

The work of the Colorado Lodge was pronounced perfect, and the boys received compliments.

From Biscoe Times:

Miss Ola Duncan who has been employed in a store at Dumas, the past year, is again at home.

Miss Batira Naramore left Wednesday morning for Snyder. She will stay with the Pickle family and attend school there.

J. H. Pickle and family left Roseto the first of the week for Snyder where they will make their future home. Our entire citizenship deeply regret to see this good family leave us. No man has done more for Roseto and surrounding country than J. H. Pickle. As neighbor, friend, citizen and Christian gentleman, Pickle has few superiors. Snyder is fortunate in having him locate there and become permanently identified with the interests of the town. The Roseto

Signal is already a splendid newspaper and we predict that under the management of Joe Pickle it will continue to grow in influence and usefulness.

A Loyal Signal Friend

Mr. M. L. Williams was in Saturday from his farm eight miles east of Snyder and paid the Signal a substantial call. He is one of Sevier County's solid farmers. He has a hundred acres in wheat and a considerable acreage in oats and it is fine.

Mr. Williams holds that this country is equal to the best black land country for all round farming.

Mr. Williams says he has taken

the Signal for a long time and that it is a good paper. He appreciates the good service it gives in the way of general and local news and especially the news, elevating tone of its matter.

Fashionable ladies in Paris, France, have discarded stockings and will hereafter appear in society with bare ankles. Silk stockings will probably go up in price.

We have the "Edge" on the Barber business; because our razors and Cutters hold their edges.

We handle only the best reliable brands of Cutlery and Hardware.

We "share" our prices when we first mark our goods.
